

We know you have been patiently waiting all year for this paper-inspired fashion show and fundraiser. The time is finally here. Get ready for the amazement of each design team's paper masterpiece as they step out onto the catwalk. Come be a part of the lively crowd at this absolutely fabulous night in support of MRP's mission along with other fellow book lovers. All proceeds will go to our mission.

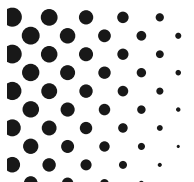

This year's theme is **Dress for Your Adventure!** Where does reading take you? To the moon, a mountain range, a fantasy world, or a surreal pop art world for you to explore?! Every book we give a kid has the potential to show them a world where they can dream up their own fantastic adventure!

We look forward to seeing you there.

Team Fashion Competition

CREATE A WEARABLE PIECE OF FASHION CONSTRUCTED OF AT LEAST 90% PAPER

CREATIONS ARE WORN BY A LIVE MODEL THAT WILL MOVE DOWN THE CATWALK & STAGE

The Team Structure

A team consists of a team captain, a model, and a group to produce the outfit. Or, you may choose to do it all on your own — design, create, and model your fashion. Kids are absolutely allowed to be on a team and/or model for your team. They must be accompanied by an adult at the finale show. DON'T FORGET TO COME UP WITH A FUN TEAM NAME!

Best In Show Award

You are creating your outfit not only for the fun of it but also for competing to be crowned **Best-in-Show** and **Most Unique Use of Paper**. Celebrity judges will be voting on the top three finalists and the audience will vote for the final winner. Your prize will be a custom-made crown and sash and bragging rights for the year.

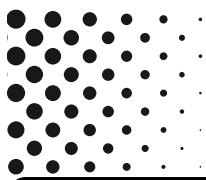

Register your team today!

Note about youth teams: MRP will not be responsible for the coordination of youth teams. All team captains are highly encouraged to collect formal, written parental consent and chaperone all work sessions. An adult must accompany the youth team for the entire finale night.
